ADDITIONAL INVITATIONS ARE EXTENDED FOR TAFT TO STOP HERE

ON HIS WAY TO KEY WEST

SENATOR FLETCHER AND CONGRESSMAN CLARK URGED TO EXTEND PERSONAL INVITATIONS TO EXECUTIVE.

Following the wire invitations from L. M. Waite, president of the Daytona board of trade, to President Taft yesterday, in which the executive and members of his party were cordially invited to stop in Daytona on their way to Key West next month, another wire invitation was extended to the president of the United States to stop here by Mayor Henry T. Tins, representing the people of Daytona and vicinity, today.

In addition to the two wire invitations to the president requests were sent by President Waite of the board of trade, Mayor Tins and the Daytona board of trade, to Senator Fletcher and Congressman Clark of this district, in Washington, to call on President Taft and personally invite him to stop in Daytona on his way to Key West next month. Chairman E. F. Oates of the transportation committee of the board of trade also wired Vice President Beckwith of the Florida East Coast railroad, urging him to arrange the trip of the president and party over the East Coast road to include a stop at this place.

In all of these invitations Daytona was referred to as the prettiest winter resort in the world and it was urged the president be allowed time enough here for an automobile ride on the famous Daytona beach. Every effort will be made to have the special train carrying the president and his party stop here long enough for the president to ride over the beach where world's automobile records have been made and broken, but if this can not be arranged it is hoped the special train will at least be stopped here long enough for the executive to give a short talk to the people of Daytona and vicinity.

GAS PLANT SEEMINGLY IN PROSPECT

SPECIAL MEETING OF CITY COUNCIL TOMORROW NIGHT

SCHANTZ COMPANY WILL ASK FOR FRANCHISE—ACTION ALREADY PENDING IN DAYTONA BEACH AND SEABREEZE.

A special meeting of the city council of Daytona has been called by President Henry Schmidt for tomorrow night at which time the Schantz Electric, Ice & Water company will apply for a franchise to install, operate and maintain a gas plant in the city.

Ordinances proposing franchises to the same company will also be considered by the peninsula towns. One was passed on first and second readings at Daytona Beach last evening, and the matter will be taken up at the Seabreeze council tonight. In the peninsula towns franchises are being asked for a waterworks system, in addition to the gas franchises.

The matter of a gas plant in Daytona has been talked of several times in the past and at one time the city granted a franchise but nothing ever came of it. There seems no doubt but the Schantz companies will install the plants if the franchise are granted.

RICHESON NOW RESTING EASY WILL RECOVER IN TWO WEEKS

ATTORNEYS ARE USING INCIDENT OF YESTERDAY TO PROVE THE PREACHER'S MIND IS UNBALANCED.

BOSTON, Dec. 21—Rev. Clarence V. T. Richeson, the Cambridge minister, who attempted suicide in the jail here yesterday, is resting easy today and it is believed he will recover in 10 to 15 days. The preacher cut himself in the groin with the jagged piece of tin and started an operation which the surgeons connected with the jail were compelled to finish.

Attorneys for Richeson are now attempting to use the incident to demonstrate his mind is unbalanced. Richeson will be tried next month on the charge of first degree murder for the death of his former sweetheart, Avis Linnell of Hyannis.

LAST LIFE MEMBER OF YACHT CLUB

GEORGE GARDNER IS DEAD

END COMES AT DAYTON, O.

FLAG ON CLUB HOUSE AT HALF MAST TODAY IN RESPECT TO MEMORY OF MAN WELL KNOWN HERE.

In the death of George Williams Gardner of Dayton, Ohio, Monday, the last life member of the Halifax River Yacht club has been called to the great beyond. For a number of years Mr. Gardner held the distinction of being the only surviving life member of the yacht club and his death has taken the last of the list. The flag on the local club house are placed at half mast today in respect to the memory of the deceased member.

Mr. Gardner was well known in Daytona, having been coming here to spend the winters for many years. He was an enthusiastic yachtsman, and besides being a member of the Halifax River Yacht club he was a member of the Corinthian Yacht club of New York, an honorary member of the New York Yacht club, a member of the Cleveland Yacht club and life commodore of the Interlake Yacht club.

Mr. Gardner was born in Massachusetts in 1835 and went to Cleveland when a boy. He served two terms as mayor of Cleveland and was prominent in the business life of the city as a banker and commission merchant. For years the Gardner grain elevator at Cleveland was the largest along the lakes. His death came at the home of his daughter, Mrs. Clement Gilmore, in Dayton.

Mr. Gardner was the owner of historic Ballast Island in Lake Erie and a stockholder of the Cleveland & Buffalo Steamship company. He is survived by seven children.

RESERVE PLAN IS FAVORED

MESSAGE OF PRESIDENT TAFT URGES A FINANCIAL REFORM

RESERVE PLAN IS FAVORED IN PREFERENCE TO THE CENTRAL BANK PLAN ADVOCATED BY ALDRICH.

WASHINGTON, Dec. 21—President Taft today sent to congress a "money message," treating briefly of the financial of the various departments of the government, but embodying recommendations for important legislation as well. This is the president's third message this session.

The report, which was designed to treat of the financial condition of the treasury, needed banking and currency reforms and departmental questions, is one of the most important yet sent in the present session of congress.

A significant feature of it is President Taft's emphatic endorsement of the national reserve plan of financial reform as opposed to the Central bank as a means of preventing panic in the future. The president also demands legislation to prevent the merger of banks into the great national money trust, after the establishment of the national reserve association, if this reform should be inaugurated.

Another striking recommendation is for the extension of civil service to take from political parties the weapon of Federal patronage. Mr. Taft asks that all local government offices throughout the country including collectors of internal revenue, collectors of customs, postmasters of all four classes, immigration commissioners and marshals be filled, unless civil service instead of by appointment upon recommendations of the president.

The president also asks that a council of national defense be authorized by congress in order to promote the security of the nation against foreign invasion.

The report calls the financial condition of the government at the end of the fiscal year terminating June 30, 1911 (the period covered by the message) "very satisfactory."

The report shows the postal savings banks to be growing rapidly. In eleven months these institutions have accumulated \$11,000,000 in deposits, or averaging \$1,000,000 per month.

On the subject of the Panama canal, the executive urges that congress authorize the president to make a schedule of tolls.

The following other demands and recommendations, some of which were previously made in past messages, are set forth:

Six year term of enlistment for soldiers, the men to be in active service for three years and on the reserve list for three years, pay to extend over the entire period.

Laws for the naturalization of Filipinos.

Laws to allow the immediate sale of the friar sugar lands in the Philippine islands in any amount.

Government appropriations to further project of navigable waterway from Lake Michigan to mouth of Illinois river.

The president be authorized to remove clerks of Federal courts for cause.

Immediate enactment of an employer's liability bill.

Extension of power of the United States supreme court and regulations of lower courts to prevent unnecessary delays and costs.

Immediate establishment of parcels post over rural free delivery routes, for which \$150,000 is carried in postoffice appropriation recommendation.

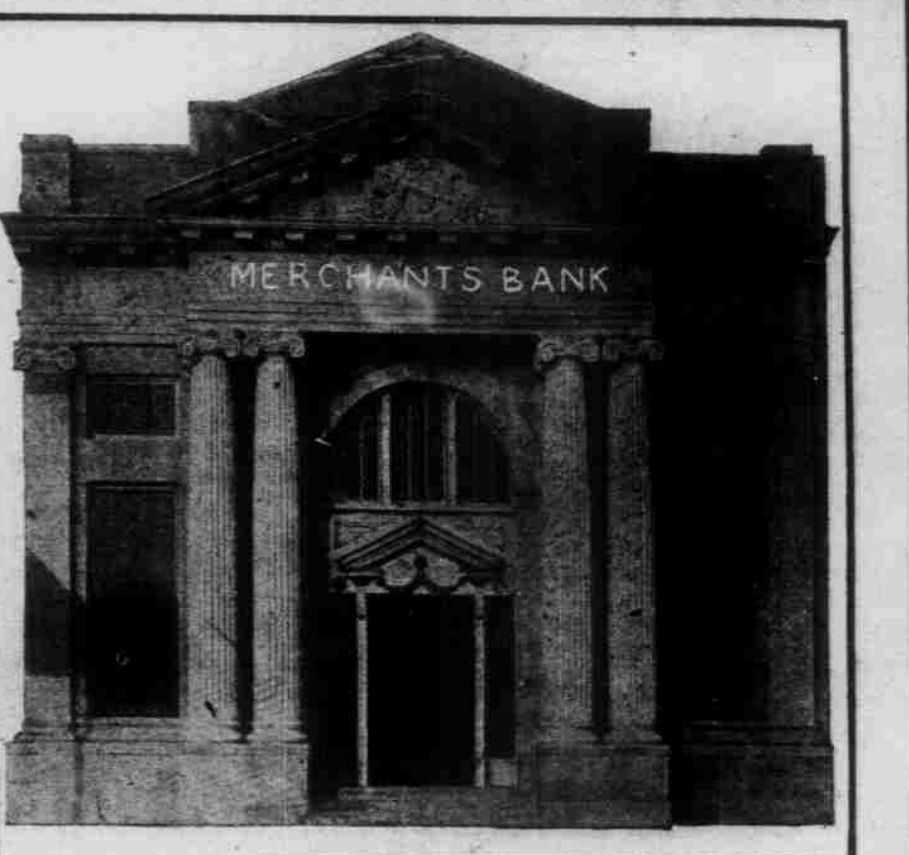

Steps to secure enlistment of 4,000 more United States sailors.

Pension plan for superannuated government employees. President Taft says he is unalterably opposed to any plan which does not involve contributions from the employees while they are still in the government service.

Under the head of rivers and harbors improvements, the president urges that \$2,000,000 annually be appropriated for the improvement of the Missouri river between St. Louis and Kansas City, instead of \$600,000 as proposed.

*Hankins has Huyler's.

Miss O. R. Gardiner, who has been in Chicago, Ill., for the past two weeks or more, is expected to return home Christmas day.

*New line of kid gloves just received at the Charles E. Gardiner Co.

J. R. Turner, former sheriff of Volusia county, was in the city Wednesday, making the trip from DeLand and return by automobile.

*Kodak finishing at the Jungle Studio.

L. D. Fiske and his chauffeur arrived from Jacksonville with Mr. Fiske's National roadster and Cadillac cars shortly after dark, Wednesday evening.

*Royal Scarlet Christmas cigars in dollar boxes at Lyman's—25 in a box.

The unsettled weather conditions of the past week or more, with frequent heavy rains, resembles the weather of September rather than December in this section.

*At Clark's book store—Something new and unique in candy boxes. 18-21

John Y. Detwiler was a Daytona visitor Wednesday. Mr. Detwiler said he was still in possession of the land to which he claimed title within the Mosquito inlet reservation.

*What is better than handkerchiefs for Xmas presents. Get them at the Chas. E. Gardiner Co. 17-21

Storm tides, or unusually high tides for the season of the year, have prevailed for several days and the river was almost upon the Omond-Daytona road in several places Wednesday.

*Christmas trees for sale, in tubs. Wm. Elck, corner South and Beach. 17-21

The ground being already saturated the heavy rains of the past few days have proved too much for some of the gardens in the low hammock soil west of the city and they are suffering from a surplus of water.

*Waterman and Conklin self-filling fountain pens for Xmas presents at Barnes' Novelty store. in-w-s

Kenneth Heath is with his parents at Holly Hill, having driven down from Jacksonville Wednesday, in Dr. E. L. Potter's new car, a handsome six cylinder, 60 horsepower Pope-Hartford. Mr. Heath says he found the road in better condition than when he traveled it last year, but that some distance north of Mound Grove there is an A. A. A. card that is misleading as to the course to be followed. The card indicates as the road to Daytona a blind road a mile or two in length which he was just saved from taking by meeting the driver of a team at the turning point.

*Waiters', cooks' or barbers' coats at Peck-Hendricks.

*Christmas cigars at Vet Cave's at

C. E. Hudson of Leominster, Mass., who is located with his family in one of J. G. Brown's houses on South Ridgewood avenue for the season, has a new 1912 Cadillac car which was shipped from Boston to Bereaford and driven over to this city from that place Wednesday by Mr. Hudson's chauffeur.

*Silk parasols for Xmas presents at the Chas. E. Gardiner Co. 17-21

Mrs. Charles Lockwood returned Tuesday night from Jacksonville, where she had gone last Saturday to meet Mr. Lockwood, who had arrived the day before on the yacht Cynthia III. Mr. Lockwood could not return with her at the time, but will join her here next Saturday to remain for a week or more.

*A pair of trousers free. For particulars see Pete Rodgers, S. Beach street. tues-thurs-sat

Some of the business people, especially those here only for the winter, are wondering why excursion boat lines are offering no Christmas day trips to the Tomoka river or other points of interest as all the places of business will be closed on that day, affording them as well as others an opportunity to enjoy such an excursion.

*Florida views in water colors, reasonable prices. At the Jungle Studio.

Mrs. W. G. Nash and son, Clarence, went up to St. Augustine Wednesday afternoon, to spend the Christmas holidays in that city with Mrs. Nash's brother, J. G. Martin, and wife, with whom her mother, Mrs. Julia Martin, is spending the season. Mrs. Nash and Clarence will also visit Jacksonville before returning home. Mr. Nash will join them in St. Augustine Saturday evening, returning Monday night.

*Beautiful mirrors at Hankins.

C. M. Rogers, of the firm of D. D. & C. M. Rogers, civil engineers of this city, who has been at Fort Pierce for some time, expects to return home Saturday to spend Christmas with his family. Mr. Rogers recently furnished estimates for the cost of installing water works, sewerage and electric light systems in Fort Pierce and all three improvements were adopted by the people of that city without a dissenting vote.

Ate Raw Eggs and Milk Four Months

BUTLER, Ala. T. L. Adams says: "The bottle of Digestit you sent me did all you recommended it to do. I had been suffering with indigestion for four months, not able to eat anything but milk and raw eggs most of the time. The first dose relieved me so much that I can eat until my appetite is satisfied. Send me \$2.50 worth by mail to Butler and oblige."

It is said that 90 per cent of the American people suffer from some form of indigestion. Digestit relieves quickly and permanently. It is easy to take and convenient to carry about with you; no use to suffer another day. Eat what you want and Digestit. Try it. You cannot lose. Your money will be refunded if you are not pleased. 50c at

PARADISE BETTER
THAN HONOLULU
Paradise of the Pacific Not in
It With That Promised.

The Nation Born in a Day Does Not Refer to Heathen Conversion, Says Pastor Russell, but to the Church Which is the Body of Christ—"Whose Names Are Written in Heaven."

Honolulu, Hawaii, December 17.—As our ship neared your beautiful island I thought back a century to the time when these islands were uncivilized. It called to my mind the text, "Who hath heard such a thing? Who hath seen such things? Shall the earth be made to bring forth in one day? Shall a nation be born at once?"—Isaiah xlvii, 8.

Then I thought of how your island has been styled the "Paradise of the Pacific." The reality surpasses my expectations. Yet as I think of the glorious conditions which the Bible tells us shall prevail throughout the whole earth under Messiah's Kingdom, I perceive that even the "Paradise of the Pacific" falls far short of the "Paradise of God."

God has declared that the earth is His footstool, and that in due time under Messiah's Empire, He will make the place of His feet glorious.

The Last Enemy Death.
It is because God has already dealt bountifully with your island and given you in advance many of those blessings promised to the whole earth that your island is styled a Paradise. Nevertheless, you all need to pray with the remainder of mankind for the coming of the Kingdom of Messiah and His blessings—"Thy Kingdom come, Thy will be done on earth as it is done in heaven."

Your cemeteries were early in evidence telling us that here, too, in this Paradise, men die. Your hospital and physicians' signs tell us that here, too, men are sick. But in the Paradise which God has promised to establish under Messiah's Kingdom, the inhabitants will not say, "I am sick." Ultimately there will be no more sighing, no more dying, and no more crying because all the former things of sin and death will have passed away and He that shall sit upon the throne will make all things new. (Rev. xxi, 4, 5.)
